The top producer each month will be entered into a drawing to win the trip. (Agents who qualify through production will not be included in the monthly drawings.)

All agents appointed with Mountain Life Insurance are eligible to qualify.

Agents must have an active appointment with Mountain Life and be in good standing to win.

In case of commission splits, the amount dedicated to each agent will be applied in like manner for purposes of the contest. Free Looks and chargebacks will be subtracted from production totals.

All decisions by Mountain Life are final. Mountain Life reserves the right to modify or cancel the program at any time, for any reason without notice.

Per current tax law and regulation gross income includes prizes or awards. Accordingly, the prizes and awards will be treated as additional compensation for purposes of tax reporting.
